

Join a LARK Team!

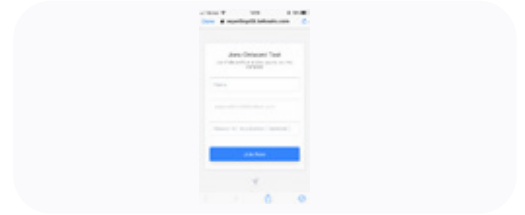

01

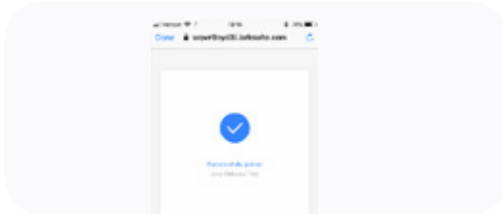

If you are added to a team, you will receive a text message or an email. Proceed to follow the steps in the message.

02

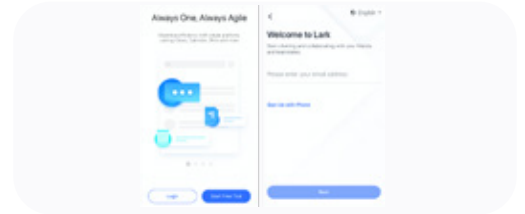

Fill out your First & Last name. The number or email that the admin invited you with will automatically show in the middle section. Click "Join Now" after Completing!

03

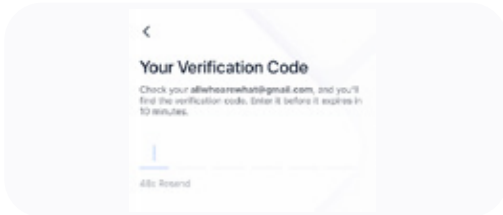

You are successfully in! Click to Download Lark for your device.

04

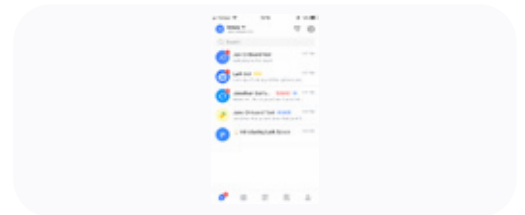

Once Download is complete, open up the Lark app & sign-in via email or phone number.

05

For first time sign-ins, you will receive a Verification Code & then proceed to change your password.

06

You've successfully joined your team's platform and are ready to collaborate with your team!
